which are graveled in a manner make to perfect drives

The hearh at Aliantic, being nine miles in length, atforth the most heartiful drive in the constity. The atmosphere of the place is purely security, as light and
dry, and as free from dempition and for, as it is miles
away from sea. In this respect is differs from Newpert,
Case May and Nahati.

Pish, openers and game abound here, and, as access to
the Philischiphia and Jerne, and arrives in easy and fraquent, every delivery can be had in season. A telestaged extends the whole length of the mad.
The season commerces the first of Jerne, and continues
until the first of November.

During the season of 1868 seventy thousand pressure
visited the place, and, as its improvements and
popularity are constantly increasing, at high fail to be
come the most frequential summer report in the United
States.
